BEST SA FOOD MATCH?

"Our underlying philosophy is to make hand-crafted artisanal wines from our biodynamically-farmed vineyards across the Eden and Barossa valleys. These show the fruit and opulence of the Barossa but are complex, elegant, understated and therefore are perfect accompaniments to any South Australian cuisine. Rather than selecting one single culinary matching,

I encourage lovers of our flagship wine to taste and try to match it with any locally-sourced gourmet food!"

2008 *Maverick Trial Hill Eden Valley Shiraz*

From the 16-ha estate vineyard high in the Eden Valley. The strong colour and very complex aromas and flavours are a tribute to the site; the fruit is predominantly in the black spectrum, leavened by quality oak, fine, savoury tannins and hints of spice and licorice. 14.5% alc.
